

Education in Faith Sunday - 27 January 2008

Formerly known as "Catechetical Sunday", Education in Faith Sunday is celebrated slightly earlier this year owing to the proximity of Lent. For 2008 the chosen theme is "Living Faith Fully" and it is a topic that is explored further during Catholic Education Week .

Education in Faith Sunday reminds the faithful of their responsibility to be teachers of the Faith under the guidance of the Spirit. As members of the Church we all share in the task of furthering the Reign of God.

Parishioners are asked to avail of the materials in the Churches.
