PARISH OF DRUMCREE

Mission Statement: Our Parish is a Christ-centred community. In Baptism we are challenged by the Spirit to live and share the Gospel message. Through proclaiming the Gospel message to all, Growth in Faith, Liturgy, Justice Issues and Ecumenism we extend our love and care to all people providing support in renewing and deepening our faith. We value the gifts and talents of each of our Parishioners and invite them to use these in responding to Christ's invitation to all of us to follow Him and spread the Good News to the whole world.

Reflection

We had been hoping

How often we've said or thought that:

We had been hoping.

That love would last or a relationship would get deeper,
that illness would ease or death would be
delayed,
that employment would come or a raise would be offered,
that life would be enjoyable, comfortable:
We had been hoping.

And there have been disappointments:
let-downs by friends, by family,
promotions not found in a job,
success in exams lost,
prayers not answered,
love lost or not found.

Â
How to get through this?
The apostles had put faith in Jesus,
had invested much of their lives in him.
Their disappointment blocked their faith in his resurrection.

We had been hoping.

Yes, it was ordained that glory comes through suffering;
there's the love and growth and fullness
discovered even in disappointment.
Even in the darkness of disappointment,
do we not find glimpses of light?
And we know in the heart
that nothing except love is lasting.

He vanished from their sight,
but left the Eucharist;
a sure sign
that no disappointment is final,
that there is always hope,
and the possibility of new life.

Was it not ordained that
I should suffer
and so enter into glory?
